CATHOLIC CHARITIES HOME CARE

Catholic Charities isn't new to the Shelburne Falls, Buckland, Claremont, Turners Falls, Gill, Northfield, Greenfield area and sister towns but we would like to introduce ourselves. We are Catholic Charities Homecare Program, and we are here to help. We've been providing homecare services in this area, for over twenty years. With the growing population of elders in Franklin County and surrounding towns, we seek to expand our workforce to further accommodate these elders' needs. The mission of Catholic Charities Homecare Program is to help elders remain as independent as possible in their own homes, to live a better and more fulfilling life. Our services range from basic house cleaning, laundry, and groceries, to personal care, medication reminder, appointment escorts, companionship and overnight care. We work with a variety of people, all with differing needs and personalities. Our professional care teams, each led by a Registered Nurse, deliver expert, compassionate, and personal care. Please call 1-800-244-4563 for pricing information and availability.
