# LEOMINSTER WOMEN'S RECOVERY PROGRAM

Licensed by the MA Bureau  
of Addiction Services

**All residents are expected to do the following while a Resident is at the Women's Recovery Program:**

- Meet with Psychiatrist within **48 hours** of admission to complete an evaluation.
- Meet each week with an assigned Counselor as noted on weekly house schedule.
- Attend all required in-house clinical groups each week as posted on the weekly schedule (All days of the week).
- Attend self-help meetings daily or other activities of support as appropriate to their status.
- Become an active member of a self-help group within 60 days of admission.
- Get names and phone numbers at outside meetings and develop her own support network in the Recovery Community.
- Do household chores as assigned on the weekly schedule or as assigned otherwise.
- Keep herself and her room clean and neat on a daily basis.
- Observe nightly curfew (10:00 p.m.).
- Be willing to submit to a random supervised toxicology screen at anytime.

**Staff is here to help, guide, and support every resident while ensuring safety for all.**

These are a brief list of requirements for those in the Women's Recovery Program. Those interested in our services must present with both a Substance Use Disorder and Mental Health Disorder as determined upon interview.

The following areas are also discussed with the resident and her assigned Counselor: Legal, Health (both physical & emotional), Family Concerns, Career Goals, and Continuing Care/ Aftercare Plan(s).

**Statement of Mutual Rights & Responsibilities**

Your decision to enter the Women's Recovery Program, and our decision to admit you constitute an agreement, with rights and responsibilities for each of us.

**YOU have the right to:**

- Ask about our services as well as about the rules and regulations which apply to you.
- Examine and comment, either orally or in writing, on the record of your residency, and include a statement of your own accord in that record.
- Ask about the policies and procedures which protect your privacy to the fullest extent of the law.
- Discuss any problems with staff and participate in a staff conference on matters of direct concern to you.
- You have the right to choose your self-help group and path of recovery.
- Make suggestions on how services can be improved and register complaints directly to the staff who will discuss such concerns with the Program Director.
- Expect a reasonable continuity of care.
- Have the opportunity to work with peers in weekly house meetings on matters that concern residents as a whole.
- Terminate your residency at any time as this is a voluntary program. Structure of the program is mandatory.

**We have a right to:**

- Determine the nature of our services and establish the rules and regulations that apply to residents.
- Keep a record of your activities as a resident, and include an appraisal of your progress in our record.
- Release your record or portions of it with your informed written consent or as otherwise directed by law, and destroy your record in accordance with agency policies.
- Review your activities and evaluate your progress at staff conferences, and to expect you to participate in those conferences whenever appropriate.
- Expect that suggestions and complaints will be made directly to the staff prior to discussion outside of the Women's Recovery Program.
- Modify our policies and procedures so as to improve the quality and continuity of your care.
- Terminate your residency at the end of your contract period, or at any time during that period for cause (e.g. disciplinary).
